Dear HaribhaktAs,

As the most auspicious 345th Aradhana of *shri Guru Raghavendra Tirtharu* (Saturday, the 20th August 2016) is being celebrated all over the world with great enthusiasm and *bhakti*, There are millions of devotees who have received the *kArunya* of *Sri GururAjaru*. *Sri Guru Raghavendraru*, whose very name sends waves of devotion and gratitude among multitudes of devotees belonging to all castes and creed in all parts of the world, walked this earth three centuries ago with yogic attainment. A great sage *Sri Raghavendra Tirtharu*, was a seer of ultimate truth, who could grant the prayers of countless devotees, and cure the inexplicable diseases of the mortals that too even after more than three hundred years of his *Sasharira Brindavana Pravesha*.

We all know that *Sri GururAjaru* was a great scholar of *Veda shAstra* and *Madhwa Shastra*, and a true *Yogi* to whom earthly comforts meant nothing. The great incarnation of *Sri PrahladrAjaru* and *Sri VyAsrajaru* as *Sri Guru Raghavendra Tirtharu*, who had adorned the *Madhwa* lineage, has shown to the world the greatness of, the significance of *Sri Madhwa avatAra*, *Madhwa Philosophy* and

have become the standing example of what *Madhwa Shastra* can do to the devotees and the world. A great sage like him proclaims to the whole world, the immortal worth of *Veda Vidya* as preached by *Sri Madhwacharya* through his of 48 supreme works on Madhwa Philosophy.

Today, we pray, cry, pester and appeal to him only for removing our grief and granting us prosperity. We should, in fact, pray him for cleansing our craving for earthly pleasures and granting us *Jnana, bhakti, vairAgya* and the eligibility to receive blessings of *Sri Mukhya PrAna dEvru* and *Sri VedavyAsa dEvru* who alone can grant us the ultimate bliss - redemption from the cycle of birth.

For us at MYP, this is a very special and blissful day. On this same auspicious day, MYP was established with the blessing of *Shri Hari Vayu GurugaLu* and *Shri Rayaru*.
